

Brentwood Swimming Club

County Qualifier 2020 Swim Hat Design Competition

supported by The Jack Petchey Foundation

The Competition - We are running a competition until the 22nd of October to design a 'County Qualifier 2020' swim hat. We would like you to decide on a colour for the hat and a design to go on it. Please use only 1 colour for the hat and 1 colour for the design. For example, A white hat with a blue design. You can include words like: '2020 Essex County Qualifier' somewhere in your design if possible. Something that stands out and isn't too intricate works best!

Free Swim Hat - Two winners will be chosen, one for each side of the hat. We will have them produced and give every swimmer a free hat that achieves a County time for the 2020 Essex Championships (to be used for training session only).

So start designing. Good luck...
